

January 2023

Dear Families,

Thank you for expressing interest in Northeast Woodland's Early Childhood/ Pre-K program. We are offering a single Early Childhood classroom for the 2023/2024 school year for three- and four- year-old children.

Our early childhood hours closely match those of our K-8th grade, with a start time of 8am and ending time of 2:20pm. Our goal is to have ten students present each day. If your child will be entering Kindergarten the following year (2024/2025), we highly recommend that you enroll in either the three-day or five-day program to ensure your child will be ready for Kindergarten.

Due to the very high level of interest in our Early Childhood program we will be placing students with a lottery process similar to that which we use for our grades enrollment. We will send out applications to all families interested in the program starting on Jan 30, 2023. Those applications will be due back to us no later than March 10th to qualify for the lottery. We will hold our lottery the following week and inform families of their placement once our lottery process is completed. Siblings of currently enrolled Northeast Woodland students will be placed first. All other NH and Maine residents will be weighted equally in the lottery. Once we complete our lottery, we will send out our enrollment contracts to those being offered a space. We will notify all other families of their waiting list status. Your program fee deposit will be due with those contracts to formally enroll your student at Northeast Woodland. Families who receive a class placement will have 48 hours to complete the enrollment contract and deposit. After 48 hours, that placement will go to another child if the contract and deposit have not been received.

We will also be running our future year kindergarten lotteries for the 2024/25 and 2025/26 school year so if you wish to secure a space for your student in our Kindergarten for either of those upcoming years be sure to indicate this in your prek appliciaton so we can include you in that lottery process.

Please know that we offer multiple payment plans and there is no additional fee for selecting a staggered payment plan over the one time payment.

Thank you and we look forward to working with you and your families in the fall.
Warm Regards,

Sarah Arnold, Head of School
& The Northeast Woodland Board of Trustees
