## Practice and Training Tests

There are practice tests and practice questions available for preview. If you want to see the types of questions asked or would like to practice these questions with your child, [click here for the Practice and Training Test](#). Select the **green** "Sign In" button. Select your child's grade level. ELA, Math, and Science practice tests are available. Practice tests for science are only given to 5th and 8th-grade students.
